

The image shows a large, black, rectangular battery unit, likely a LiFePO₄ battery as indicated by the label. It has two terminals on top: a red one on the left and a black one on the right. The front face of the battery features several labels and markings:

- Top Left:** A small circular vent or indicator light.
- Bottom Left:** The text "LiFePO₄" and "POWER YOUR DREAM".
- Center Bottom:** The specification "12.8V200Ah 2560Wh". Below this are several safety and recycling symbols, including a crossed-out incinerator, a recycling symbol, and CE marks.
- Right Side:** Two columns of text under the heading "Caution". The first column lists safety warnings like "Do not short circuit", "Do not disassemble", etc. The second column provides instructions for charging and handling.

24V to 380V inverter

[DC 12V 24V 36V 48V to AC 110V 220V 240V 380V Power Inverter ...](#)

DC 12V 24V 36V 48V to AC 110V 220V 240V 380V Power Inverter DC to AC Converter Power Supply Home, Find Details and Price about Inverter Converter from DC 12V 24V 36V 48V to ...
