

A white and black portable power station. The front panel is white with a black control panel in the center. The control panel features a circular power button on the left and a small LCD screen in the middle. The screen displays the following information: "Battery Level: 80%", "Voltage: 12.8V", "Current: 1.5A", "SOC: 80%", and "Temp: 25°C". To the right of the screen are five indicator lights. On the left side of the unit, there is a black carrying handle.

A company in Barbados that makes new energy battery cabinets

[Barbados . Strong Interest In Investing In Battery Energy Storage](#)

Senior Technical Officer in the Ministry of Energy and Business, Destine Gay, says there is strong interest from the market in investing in Barbados' battery energy storage.
