

BMS lithium battery price in Nigeria

Overview

How do I order a lithium battery in Nigeria?

Kindly fill out the short form below to order any of the lithium batteries available. Gennex Technologies Limited is a Nigeria market leader in lithium iron phosphate battery sales. We import, supply and sell LiFePO4 Lithium Batteries with a chain of distributors network across the country.

What is a battery management system (BMS)?

With a built-in intelligent Battery Management System (BMS), they ensure optimized performance and enhanced safety. The system automatically balances the battery cells and protects them from overcharging, over-discharging, high current, short circuits, and extreme temperatures, giving you top-tier reliability and protection.

Are SVC lithium batteries better than lead-acid batteries?

SVC lithium batteries (lifepo4) have greater capacity compared to lead-acid batteries. They offer very high performance and cost less in comparism to some other batteries. SVC LiFePO4 batteries charge way faster than a lead-acid/AGM battery. Lithium Phosphate (LiFePO4) battery technology is the safest available.

Is cworth lithium battery available in stock?
