

Botswana 50W solar panel manufacturer

Overview

What is Solar City Botswana?

Solar City Botswana (Pty) Ltd was established in 2016 to source and develop renewable energy projects for borehole, irrigation systems, residential, and commercial solar photovoltaic markets. Home - Solar City Botswana The home of quality Solar Products +267-3118-908 About Us.

Which solar still is best suited for Botswana?

After years of research and development activities, the RIIC findings concluded that the Mexican and brick solar stills are the best suited for application in Botswana. The Mexican still consists of a moulded fibreglass basin of 1.6 m² base area to hold saline water and has gutters on two sides to collect the distillate.
