

Burkina Faso container energy storage plant

Overview

A solar farm in Ouagadougou generating clean energy by day, while specially designed battery containers hum quietly nearby – like giant smartphone power banks for the national grid. That's exactly what the Ouagadougou Linyang Energy Storage initiative brings to Burkina Faso's energy landscape.

Burkina Faso container energy storage plant

burkina faso energy storage container production

In Burkina Faso, utility SONABEL and the Ministry of Energy have partnered with the International Finance Corporation (IFC) to accelerate private finance in energy storage and solar projects.
