

Central Asia Photovoltaic Conductive Solar Panel Manufacturer

Overview

What is PV moduletech USA?

PV ModuleTech USA, on 17-18 June 2025, will be our fourth PV ModuleITech conference dedicated to the U.S. utility scale solar sector. The event will gather the key stakeholders from solar developers, solar asset owners and investors, PV manufacturing, policy-making and all interested downstream channels and third-party entities.

Why should you use sinovoltaics' supply chain maps?

By combining comprehensive regional coverage with a brief supply chain traceability & analysis, Sinovoltaics' supply chain maps enable industry professionals to identify opportunities, forge strategic partnerships, and make informed solar procurement and purchasing decisions.

Where is versolsolar based?

Founded in 2009, Versolsolar is headquartered in Hangzhou, China, and spans 60 acres. The company operates three major production bases, encompassing nearly 50,000 square meters of production area.
