

Core Outdoor Power Supply

Overview

Who is core outdoor power?

CORE Outdoor Power is the pioneer of GasLess outdoor power equipment. Based in Polson, Montana, the company owns exclusive rights to CORE motor technology (Conductor Optimized Rotary Energy), which is scaled and used in everything from outdoor power equipment to wind turbines and military applications.

Where can I buy core elite?

CORE Elite is now available for purchase online, and in over 1700 dealers nationwide. CORE Outdoor Power is the pioneer of GasLess outdoor power equipment.

What equipment does core offer?

The latest addition to CORE's suite of GasLess equipment currently features a higher performance string trimmer and handheld blower with more products being introduced in the future including a lawnmower and hedge trimmer.
