

Customized high-voltage lithium battery pack

Overview

What is a custom battery pack assembly service?

CMB's custom battery pack assembly services involve evaluating battery chemistries, casing design, and management systems based on customer needs. The process encompasses basic and advanced lithium battery pack design features, each tailored to meet specific requirements.

Why should you choose a custom lithium-ion battery?

With stringent adherence to safety standards and compatibility with diverse drone systems, our custom lithium-ion batteries cater to the unique needs of aerial photography, surveillance, mapping and surveying, search and rescue, agricultural, and more.

What is a custom LiFePO4 battery pack?

Our custom LiFePO4 battery packs are made in cylindrical and prismatic formats. LiPo batteries allow for greater flexibility and ensure the perfect fit for vehicles, machinery, and other various devices with unusual dimensions and weight requirements. Why Choose CMB As Your Custom Battery Pack Manufacturer.

Why do companies choose Lithium Power?

One of the major reasons why companies choose Lithium Power, Inc. as their technical partner is because we can provide them with communication protocols to control, command, and remotely monitor/manage their custom made battery packs. The ability to offer communication capabilities makes our battery packs far more intelligent and desirable.

Who is Lithium Power?

Lithium Power has comprehensive experience with Lithium-based commercially available cells like NMC, NCA, LFP, and LTO. We come alongside the customer as a true partner to first help define the customer's battery

power needs and then optimize the battery pack design.

Which lithium ion battery should I Choose?

Build Now! We only use the best quality lithium cells. They offer more energy and ensure that your device lasts as long as it should. If you need the batteries that needs to be charged really fast, this is your best choice. Grade A cells allow rapid charging. The demand for lithium ion batteries has been increasing lately.
