

Estonian photovoltaic energy storage battery cabinet system manufacturer

Overview

The Freen-BSH and Freen-BSL products are developed and produced in Estonia. The high-voltage BSH model and the low-voltage BSL system are both versatile, scalable solutions tailored to meet the energy needs of homeowners, farmers, and a range of commercial and industrial users.

Estonian photovoltaic energy storage battery cabinet system manu

About Us

Solar Estonia is an Estonian energy company that focuses on offering renewable energy solutions. It specializes in the installation of solar panels and storage systems providing ...
