

Georgia Battery Energy Storage Battery

Overview

Georgia Power is set to revolutionize energy storage with the construction of Battery Energy Storage Systems (BESS) across four counties in Georgia, totaling 765 MW of capacity.

Georgia Battery Energy Storage Battery

<u>Construction now underway on 765 MW of new battery energy storage</u>

Georgia Power announced today that construction is underway on 765-megawatts (MW) of new battery energy storage systems (BESS) strategically located across Georgia in ...
