

# **Greece s new hybrid energy storage**

### **Overview**

Namkoo has successfully delivered a 12kW+20kWh hybrid energy storage system for a residential customer in Greece, giving them complete energy independence. This project is a shining example of how renewable energy can power homes around the clock — without relying on the grid.

### Greece s new hybrid energy storage

<u>Greece gets EU nod for state aid for Amfilochia</u> <u>plant, renewables in</u>

Greece will support Terna Energy with EUR 250 million in the construction of the Amfilochia pumped storage hydropower plant, while the government earmarked EUR 1.4 ...
