

Lithium battery inverter price in India

Overview

Which is the best lithium-ion battery manufacturer in India?

UTL is one of the top Lithium-ion battery manufacturers in India. Whether you're seeking a Lithium-ion battery for normal inverter, solar inverter or electric vehicles, our selection includes models that provide superior performance and long lasting batteries for every need.

Why should you buy a lithium ion inverter?

Designed with dimensions of a mere foot, it is super easy to store while its elegant design adds a beautiful touch to your home decor. The powerful lithium-ion battery is integrated within the inverter and offers 3x longer life, 3x faster-charging speed, zero maintenance, and 15% more efficiency than a lead-acid battery.

What are the features of a lithium inverter?

Sleep Mode: This is the most important feature for lithium inverter as the low battery status the Inverter keep consuming power and the lithium battery BMS also consumes lot of power which can cause the deep discharge of Lithium batteries.

What is the range of lithium inverters?

The range of Lithium Inverters: Su-vastika has developed a complete range of Lithium Inverters right from 1000 VA to 250 KVA and has at least 80 models in the range. How long company been making this product: Su-vastika a startup company has been making Lithium Inverters for the last 4 years in the industry.

How long has Su-Vastika been making lithium inverters?

How long company been making this product: Su-vastika a startup company has been making Lithium Inverters for the last 4 years in the industry. They are the first company to launch Solar storage solutions with Lithium battery in

India and has the complete range in single phase and 3 phase solar Inverters with lithium battery backup.

Which is better lithium battery inverter or lead acid battery?

Price: Lithium battery inverters are more expensive than traditional Lead Acid batteries but Su-vastika has launched multiple models in the market with the best pricing available in the market. Features: Su-vastika has lot of features in their Lithium Inverters which is difficult to match by any other manufacturer in India.
