

# Moldova Chemical Energy Storage Power Station

### **Overview**

The Republic of Moldova will install a 75 MW energy storage system (BESS) and 22 MW internal combustion engines as part of a project funded by the U.S. Government through USAID. The Ministry of Energy has announced that a tender has been launched for this purpose.

Moldova to install 75 MW energy storage system

The Republic of Moldova will install a 75 MW

energy storage system (BESS) and 22 MW internal combustion engines as part of a project

funded by the U.S. Government ...
