

New Zealand industrial energy storage cabinet supplier

Overview

Which companies supply dangerous goods cabinets?

The companies listed that supply Dangerous Goods Cabinets include: distributors, manufacturers, industrial wholesalers, retailers and bulk suppliers that have a genuine New Zealand presence. Sections include: Flammable Storage Cabinet, Dangerous Goods Storage Cabinets, Chemical Cabinets, DG Sheds and Dangerous Goods Stores.

Why should you buy a New Zealand Kitchen Cabinet?

Engineered for safety and durability, our cabinets meet New Zealand standards and perform in the harshest environments. All our products are designed for prevention – because stopping an incident is better than cleaning up after one. Insurance comes second.

What are industrial storage cabinets used for?

Makes it much more versatile. Industrial Storage Cabinets are used in various types of environments to safely store flammable and combustible substances. Common examples include petrol, diesel fuel, kerosene and oil-based paints.
