

New Zealand outdoor power box manufacturer

Overview

Are meter boxes NZ compliant?

Meter Boxes and Flashing Kits NZ compliant outdoor meter boxes and flashing kits available for the differing requirements of power boards within New Zealand. FLASHING KITS: The Dept of Building and Housing requires that all meter boxes have flashing kits installed, as per the Standard 'Acceptable Solutions E2/AS.1'.

Where can I buy outdoor power equipment parts in New Zealand?

over 70 years. With over 10,000 parts available, Cama has New Zealand's most extensive range of Outdoor Power Equipment Parts. As well as filters, blades, belts, spark plugs, tires, tubes, pulleys, spindles, bearings, mufflers, ignition & electrical parts, chainsaw bars, sprockets, and much more.

What is a builders temporary power supply box?

The Builders Temporary Power Supply Box enables builders and other tradespeople access to an electricity supply on a worksite where temporary power is required. The plastic construction provides a strong, durable, and weather resistant enclosure to protect the electrical equipment. The bright red colour makes it stand out on the building site.

What equipment do you sell in New Zealand?

As well as filters, blades, belts, spark plugs, tires, tubes, pulleys, spindles, bearings, mufflers, ignition & electrical parts, chainsaw bars, sprockets, and much more. An established New Zealand family owned and operated business that has been involved in the New Zealand Outdoor Power Equipment Industry for over 70 years.

Why should you choose Powerbox products?

Powerbox products are carefully designed with the latest technologies to meet the rigorous demands of the industrial market, even in challenging New

Zealand conditions. Maintain a competitive edge in today's challenging business landscape with Powerbox.

Is a temporary power supply box recyclable?

The outer body is fully recyclable with our GYRO-CYCLED Program, designed to divert waste from landfill and decrease the further use of virgin materials. The Builders Temporary Power Supply Box is a durable, weather proof power source for your building site. It can be fitted out with electrical equipment required for your site.
