

# Niue Energy Storage Container Communication Power Company

## Overview

---

Why is the work being done at Niue Power House important?

“The work being done is crucial for ensuring that Niue has sustainable and efficient energy for years to come.” Niue look’s forward to welcoming technicians in the coming weeks to assist with the commissioning of the generators in the new power house as the nation moves towards a more sustainable and resilient future.

How did New Zealand support Niue's battery energy storage system?

In addition to Australia’s support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue’s Battery Energy Storage System (BESS). This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections.

What is Niue Power Corporation (NPC) funding?

This represents the culmination of years of work from Niue Power Corporation (NPC) staff, local and overseas contractors, and our development partners. Australia and New Zealand funding assistance in particular has been instrumental in the procurement of new generators, transformers, switchboard and construction of a new building to house these.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, “The construction of this new power station is a vital piece of infrastructure for Niue’s development and well-being. This achievement would not have been possible without the support of our regional partners.”.

When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the so5 launch of Niue’s New Power Sta;on on the 7th November 2024. The launch marks a cri;cal milestone in

Niue's journey to strengthen and modernize its energy infrastructure.
