

Portable outdoor battery cabinet 48v

Home Energy Storage (Stackble system)

Easy installation

Safe and Reliable

Perfect Compatibility

Product Introduction

- Scalable from 10 kWh to 50 kWh
- Self-Consumption Optimization
 Integrated with inverter to avoid the compatibility problem
- LFP battery, safest and long cycle life Stackable design effortlessly installation Capable of High-Powered Emergency-Backup and Off-Grid

Overview

What is an outdoor Battery Cabinet?

HindlePower's Outdoor Battery Cabinet is constructed of extremely durable injected foam panels that achieve a level of thermal performance not previously seen in traditional battery cabinets. Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F.

What is a battery cabinet?

Equipped with the HindleHealth System, the Battery Cabinet will keep your battery at the ideal temperature in the most extreme of environments, giving you peace mind. HindlePower's Outdoor Battery Cabinet takes a proactive approach to hydrogen mitigation.

What is a fogstar energy 48v battery system & IP56 rated outdoor cabinet?

Take your energy independence to the next level with the robust and versatile Fogstar Energy 48V Battery System and IP56 rated outdoor cabinet. Designed to withstand the elements while delivering reliable power, this cutting-edge outdoor cabinet is the perfect solution for storing your battery system, come rain or shine.

What temperature will my outdoor Battery Cabinet maintain?

Feel confident your batteries will maintain 65°F for outdoor ambient temperatures down to -40°F and 77°F for outdoor ambient temperatures to 122°F. Take a look at our 3rd party test data here to view it yourself. HindlePower's Outdoor Battery Cabinet is certified to IBC 2012, CBC 2013, and IEEE 693 to the highest levels.

What is a fogstar energy outdoor Battery Cabinet?

Crafted from durable carbonised steel, the Fogstar Energy Outdoor Battery Cabinet is engineered for exceptional strength and longevity. Its weatherproof

design ensures your valuable batteries are protected from the harshest elements, preventing damage and ensuring consistent performance.

Is hindlepower outdoor Battery Cabinet certified?

HindlePower's Outdoor Battery Cabinet is certified to IBC 2012, CBC 2013, and IEEE 693 to the highest levels. See our certification document here for more information. Outdoor NEMA 3R modular design easily expands and can accommodate any configuration of batteries and DC power equipment.
