Overview

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

What is the guarantee period for products sold in Portugal?

Any product purchased in Portugal has a mandatory guarantee period during which the consumer is protected in the event of a fault. This page provides information on the following: Products and services sold in Portugal are guaranteed for: 3 years for movable property (everything not considered immovable).
