

Portugal s new energy battery cabinets

Overview

Is Portugal a key player in the global battery value chain?

Portugal has taken monumental steps in establishing itself as a key player in the global battery value chain. Five major initiatives have been announced recently, marking a transformative moment for the nation's green energy ambitions. Here's a roundup of the latest developments:.

What will the New Energy Cabinet do in 2026?

One of the new cabinet's priorities for its four-year term would be a national energy storage strategy for 2026 to accelerate investment in battery storage for wind and solar photovoltaic plants, it said.

Will Portugal's green transition boost energy storage by 2026?

(Montel) Portugal's recently elected government presented its legislative programme late on Wednesday, with the green transition one of its strategic pillars, including the launch of a strategy to boost energy storage by 2026.

What is battery Cluster Portugal?

Read about it here. Battery Cluster Portugal, which includes CALB, Savannah, Lifthium, DST, and over 50 other entities, has been designated as one of Portugal's four key Competitiveness Clusters for 2024-2030. This recognition underscores the sector's strategic importance.

Who is Portugal's new centre-right government?

Following last month's general elections, Portugal's new centre-right government is led by prime minister Luis Montenegro, with Maria da Graca Carvalho as energy minister and Maria Joao Pereira as secretary of state for energy.
