

Serbia large-capacity energy storage battery

Outdoor Cabinet BESS
50 kWh/500 kWh Battery Storage System
Industrial and Commercial Energy Storage

The image shows two views of the Outdoor Cabinet BESS. On the left is a closed white cabinet with a small digital display and a red emergency stop button. On the right is the same cabinet with its doors open, revealing internal components including battery packs, inverters, and control units. The background of the image shows a landscape with wind turbines and mountains.

- All In One**
Integrating battery packs
- High-capacity**
50~500kWh
- Degree of Protection**
IP54
- Operating Temperature Range**
-20~60°C(Derating above 50 °C)
- Intelligent Integration**
integrated photovoltaic storage cabinet
- Rated AC Power**
50~100kW
- Altitude**
3000m(>3000m derating)

Serbia large-capacity energy storage battery

[Serbia: Large-Scale Solar and Battery Energy Storage Project](#)

Delivering the utmost flexibility to the Serbian government, the Large-Scale Solar and Battery Energy Storage Project being developed by UGT Renewables will be owned and operated by ...
