

Small photovoltaic energy storage project in Kazakhstan

Overview

This 185 MW solar power plant, coupled with a 70 MW energy storage system, is being developed by a subsidiary of the Chinese company Jinko Power in the Zhetysu region.

Small photovoltaic energy storage project in Kazakhstan

<u>Kazakhstan's renewable energy grows, but</u> <u>energy storage ...</u>

In 2024, Kazakhstan's renewable energy sector is witnessing significant advancements, underscoring the country's commitment to sustainable energy sources. ...
