

Solar panel equipment orders

Overview

How do I order solar panels?

Place an order by simply entering your home address and average electric bill to view recommendations for solar panels, Solar Roof and Powerwall. Select 'Solar Panels' to continue your order.

Where can I buy performance-grade solar equipment?

You can buy performance-grade solar equipment from The Inverter Store. They offer great prices on cutting-edge solar panels, solar racks, charge controllers and more.

Who is solar electric supply?

Whether you're looking to power a home, a business, or a large-scale industrial project, Solar Electric Supply is your go-to partner for all your solar energy needs. SES provides a broad selection of solar panels, inverters, mounting systems, and energy storage solutions from industry-leading manufacturers.

What equipment do I need to go solar?

You need solar panels, inverters, racking equipment, and performance monitoring equipment to go solar. You also might want an energy storage system (aka solar battery), especially if you live in an area that doesn't have net metering.

What is included in a solar panel kit?

Each solar panel kit comes with solar panels, grid-tie inverters and mounting hardware and is customized to your energy needs and home's unique specifications. Take our quick questionnaire to create a custom solar panel kit based on your energy needs. Offset your electricity bill and reduce reliance on the grid.

What is a solar panel kit?

Our solar panel kits for home are easy for you or a contractor to install. Each solar panel kit comes with solar panels, grid-tie inverters and mounting hardware and is customized to your energy needs and home's unique specifications. Take our quick questionnaire to create a custom solar panel kit based on your energy needs.
