

# South Africa 100MW hybrid energy storage power station

### **Overview**

The Redstone Concentrated Solar Plant (CSP) near Postmasburg in the Northern Cape recently reached full commercial operation, adding 100MW of generating capacity and 1,200MWh energy storage to South Africa's grid.

### South Africa 100MW hybrid energy storage power station

### <u>Powerchina switches on 100 MW solar tower in South Africa</u>

Powerchina has switched on a 100 MW solar tower in South Africa. The concentrated solar power (CSP) project will supply 480 GWh of clean energy to the country's ...
