

Thailand s largest inverter manufacturer

Overview

Formerly known as Steca, Kontron Solar (Germany) has gained traction in Thailand for its energy-efficient inverter lineup with strong protection ratings suitable for indoor and outdoor use. What makes Thailand's solar inverter industry unique?

Thailand's journey towards renewable energy dominance is marked by the innovative strides of its solar inverter manufacturers. From Bangkok's bustling markets to Chonburi's industrial heartlands, the country is carving out a niche for itself on the global stage, powered by companies like Enphase, Huawei, Sofar, Solax, and Victron Energy.

Where are solar inverters made in Thailand?

A short drive southeast from Bangkok brings you to Chonburi, a province that has rapidly transformed into a manufacturing powerhouse for solar inverters in Thailand. Its rise is attributed to the expansive Eastern Seaboard Industrial Estate and other industrial zones that are home to state-of-the-art manufacturing facilities.

Which company makes solar inverters in India?

Delta Electronics, based in Thailand, is one of the companies that produces solar inverters in India. They held 2.94 percent market share for inverter vendors in India during January-December 2019.

Who is Huawei solar inverter Thailand?

Huawei Solar Inverter Thailand represents the formidable presence of the global telecommunications giant in the renewable energy sphere. With a focus on intelligent and efficient energy solutions, Huawei offers a wide range of solar inverters that cater to the needs of both small-scale residential setups and large-scale commercial projects.

Who is the largest inverter manufacturer in the world?

Sungrow is the largest inverter manufacturer worldwide with factories in China and India having more than 50 GW of annual deployment capacity in inverters and more than 6 GWh of Battery Energy Storage Systems. They offer a complete portfolio of solutions to address all market segments.

Who is supplying fusion Solar Smart inverter in Thailand?

inverter to major players in Thailand such as AIS, True Corp, TOT, CAT and SCG Group. FEICO is supplying both telecommunication equipment and FusionSolar Smart Inverter for Thailand market. With Huawei, we are committed to helping enterprise organizations to expand the boundaries of their business and find routes to new growth.
