

The latest solution for 215 kWh energy storage cabinet

Overview

Stars Series 215kWh Cabinet ESS is a smart, modular energy storage system for C&I and microgrid applications. It offers high safety with multi-level BMS and fire protection, efficient thermal management, and fast, scalable deployment.

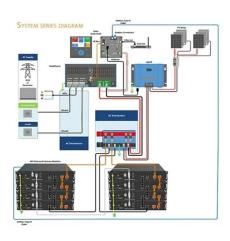

The latest solution for 215 kWh energy storage cabinet

215 kWh Battery Storage Manufacturer , HT InfinitePower

HT energy storage cabinet 100KW 215 KWH battery storage system (also available in 250 kWh). All-in-one design, integrated with container, refrigeration system, battery module, PCS, ...
