[How giant 'water batteries' could make green power ...](#)

When the giant Fengning plant near Beijing switches on its final two turbines this year, it will become the world's largest, both in terms of ...

[Email Contact](#)

[World's Largest Storage Battery Will Power Los Angeles](#)

It was the first time an energy storage device had won a competition against a conventional power plant. And the technology seems mature.

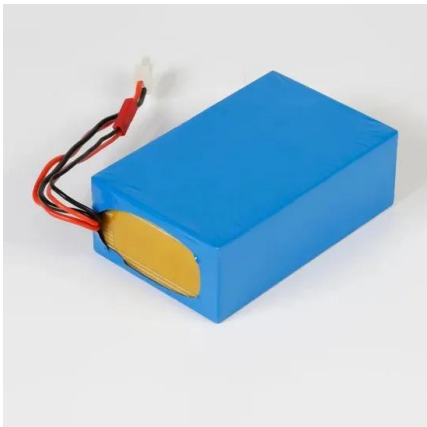

[Email Contact](#)

[Giant gravity batteries for storage of renewable energies](#)

It is an extraordinary energy storage facility that has recently been completed in the Rudong district of Shanghai, China. Built by the Ticino-based ...

[Email Contact](#)

[Tower of power: gravity-based storage evolves beyond pumped hydro](#)

Tower of power: gravity-based storage evolves beyond pumped hydro Energy Vault has created a new storage system in which a six-arm crane sits atop a 33-storey tower, raising ...
