

# Uganda photovoltaic energy storage project construction

#### **Overview**

The 100 MWp solar photovoltaic (PV) power plant integrated with a 250 MWh battery energy storage system (BESS) project will be delivered by U.S.-based Energy America, and its regional subsidiary EA Astrovolt will serve as lead developer and execution partner.

### Uganda photovoltaic energy storage project construction

<u>Uganda Approves 100 MW Solar + 250 MWh</u> <u>Storage Project in ...</u>

The Government of Uganda has issued a Gazetted Policy Direction authorizing the development of a 100 megawatt-peak (MWp) solar photovoltaic plant with a 250 megawatt ...
