

Ultra-high power inverter price

**5 Years
warranty**

Overview

What is the power output of ultra inverter?

The new Ultra inverter comes with a high-power output of 5000W with a compact design. It is compatible with all types of lithium and Lead acid batteries. We can adjust low to high cut-off voltage with the adjustable charging current in this inverter. It has a huge MPPT of 8000W capacity with a high PV range (100~480V).

What is a multi-function hybrid inverter?

Multi-Function Hybrid Inverter: This is an off grid multi-function inverter/charger, combining the functions of an inverter, solar charger, and battery charger to offer uninterruptible power support with portable size. Equipped with PWM solar charge controller to maximize and regulate DC power from the solar array to charge the battery bank.

What is a hybrid power inverter charger?

The hybrid power inverter charger outputs continuous stable pure sine wave by wave phase-detection that is more reliable to provide clean power and low interference to your devices.

How many watts is a hybrid solar inverter?

Hybrid Solar Inverter is rated at 50 amps 24V so that's 1200 watts of solar. Your panels are 395 watts so $1200 / 395$ is 3 panels in series giving you 1185 watts and amps stay the same at 9.7 amps below the 50 amp rating.

How long does a solar inverter last?

2 year warranty and can be expendable up to 5 year. Inverter Designed on 48V DC power and compatible with all Lead- Acid & Lithium Iron Phosphate batteries. 20 years design life. Max. Charge Voltage Max. DC Input Power (W) Max. Solar Charge Current Max. AC Output Power (W) Max. Efficiency (BAT to AC).

Why should you choose a solar inverter?

Aluminum housing, an integrated interface system, and the transformer-less design provide reliable power conversion in a compact size and high efficiency. All in one solar inverter allows you to power up multiple loads, such as office equipment and major household appliances.

Ultra-high power inverter price

[SM Falcon Ultra 6KW Hybrid Inverter , Best Price in Pakistan](#)

The SM Falcon Ultra 6KW Hybrid Inverter is a high-performance solar inverter, designed for residential and commercial solar systems. With 6000W PV input, dual AC output, and MPPT ...
