

What are the air-cooled battery cabinets for container energy storage included in

Overview

HISbatt 215-A comes with an integrated cooling system (HVAC), a fire suppression system, and a power inverter installed with the safest LFP battery cells. Besides this, our cabinet housing is crafted meticulously to withstand outdoor environmental conditions.

What are the air-cooled battery cabinets for container energy stora

Wattainer Air-Cooled Series

The Wattainer Air-Cooled Series is a containerized BESS that features air-cooled battery packs. Our air-cooled battery product line features preconfigured ...
