

Which outdoor power supply is best in Hungary

Overview

Which power plugs are compatible in Hungary?

Select your country of residence, to check the compatibility of your power plugs in Hungary. In Hungary, power plugs and sockets (outlets) of type C and type F are used. The standard voltage is 230 V at a frequency of 50 Hz.

Do I need a power adapter in Hungary?

The standard voltage in Hungary is 230V, and the frequency is 50Hz. Devices from countries with different voltage standards, like the United States (120V), may require a voltage converter in addition to a plug adapter. Do You Need a Power Adapter in Hungary?

Whether you'll need a power adapter depends on the type of plug your devices use.

What type of electrical outlet does Hungary use?

Hungary primarily uses Type C and Type F electrical outlets. These types are common in many European countries. Also known as the standard "Euro" plug, Type C outlets have two round pins. Also known as "Schuko," Type F outlets have two round pins with two earth clips on the side. The standard voltage in Hungary is 230V, and the frequency is 50Hz.

Do Europeans need a travel adapter in Hungary?

Europeans do not need a travel adapter or transformer when traveling to Hungary. Most device plugs will work with the outlet types in Hungary. Also, the voltage in Hungary is the same as in Europe. What Outlet does Hungary Use?

Type C plug sockets are used in Europe, Africa and Asia. They have two round pins and no grounding pin.

Do I need a travel adapter in Budapest?

The electrical outlets and power plugs in Budapest are of types C & F (see images). If your country uses the same electrical outlets and power plugs, you don't need a travel adapter. However, you may still need a voltage converter if the voltage is different.

What is the standard voltage of a power socket in Hungary?

In Hungary, the standard voltage is 230 V at a frequency of 50 Hz. The power sockets in Hungary are of type C and F. The standard voltage is 230 V at a frequency of 50 Hz. Check your need for a power plug (travel) adapter in Hungary.
